Repo	github.com/XanderUZZZER/it-logger
Live demo	xander-itlogger.netlify.app
Stack	React, Hooks API, Redux, JSON-server

Github Finder	
Repo	github.com/XanderUZZZER/github-finder
Live demo	xander-github-finder.netlify.app
Stack	React, Hooks API, Context API, GitHubAPI

* Due to demo reasons and heroku free terms, if an app receives no web traffic in a 30-minute period, it will sleep. Therefore, during the first launch, the application may take longer to load than usual, approximately 15 - 20 seconds. So please be patient and wait for the app to launch. Subsequent launches will be relatively fast.
